BMV READING WEEK (APRIL 25-29TH) - RECAP

Reading is a skill we continue to develop throughout our lives, but starting this process as early as possible has significant benefits for our continuous success as readers. A huge thank you goes out to all of the volunteers that took time out of their busy schedules to show BMV students the importance of reading!

A MESSAGE FROM MR. HEBERT

Bishop McVinney is committed to the safety and health of our students and staff. We understand the stress that many of you are feeling with this most recent surge of COVID-19. As a reminder, vaccination is the best tool we have to fight COVID-19. The Vaccine is effective in two ways: it helps to prevent infection and helps severe symptoms if you do contract COVID-19. BMV is partnering with The Wellness Company to host a FREE COVID-19 Vaccination Clinic open to all students, staff, friends and family!
